

“Framing on Stone”

The possibilities for this technique of framing are limited only by your imagination... Family, Wedding, Pet, or other keepsake photos, etc. Stones are like snowflakes ... no two are like! We will carefully choose the stone to match your photo. This style of “Framing on Stone” adds character to your photos. Photos can be color or black and white. Photos should be 3” x 5” or larger. The original photo will be returned with your order. Digital photos can be sent via email to kos@zitomedia.net along with all order information. **When using email please do not include your credit card information! We will contact you for this information.** Please put Framing on Stone in the subject line of your email. Please feel free to contact us for additional information or visit us on the web at www.framingonstone.com
